

A the flag set is replicate-dependent

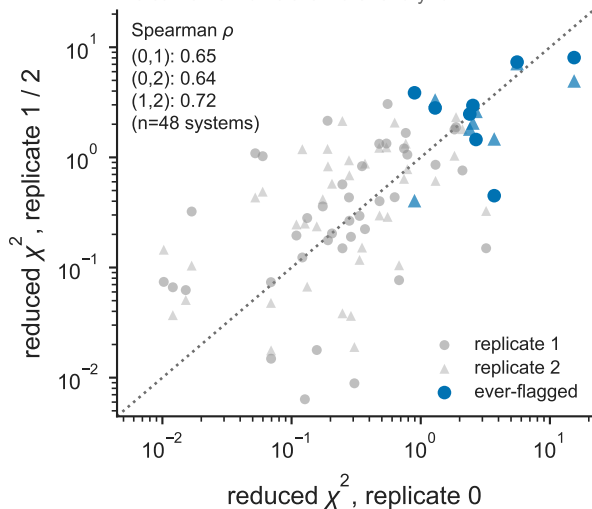

1 system in all three, 8 in the union

bace	flag	flag	flag	flag
cdk8	flag	—	flag	flag
p38	flag	flag	—	flag
renin	—	flag	flag	flag
hif2a	flag	flag	—	flag
brd4	flag	flag	—	flag
ciordia_retro	—	flag	—	flag
faah	flag	—	—	—
	rep 0 (paper)	rep 1	rep 2	pooled (3 reps)

pairwise Jaccard 0.50/0.29/0.29
(size-matched random draw 0.056)

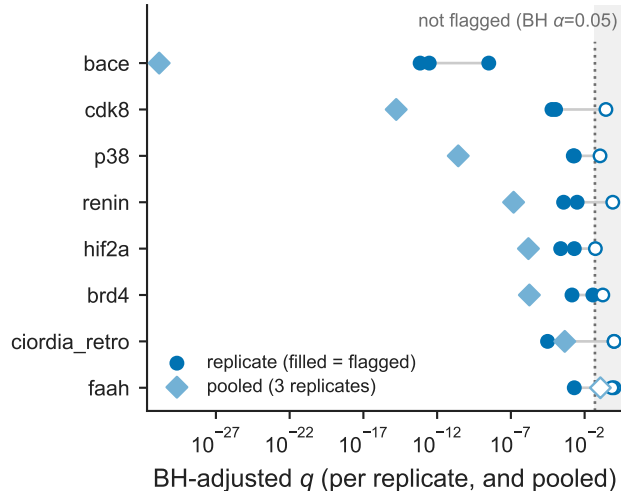

C what IS stable: the per-system ranking

the same networks are worst every run

B the flips are threshold-crossings

q swings orders of magnitude run to run

D what IS stable: the σ sweep

the same sweep on every replicate
